

EXPLORE THE **SANI FOREST**

Ancient woodland, fragrant pines and breathtaking clifftop views; explore our forest trail network as you uncover the unique natural surroundings of Sani Resort. Head off the beaten track with your bicycle for an adventure through the Sani Forest, or choose from the curated trails below, created especially for our guests. Remember, not all trails are quite so bike-friendly, surfaces may be uneven or loose, and climbs may be steep - be sure to follow any signage for diversions or safety!

Enjoy your ride!

CHOOSE YOUR ADVENTURE

GREEN TRAIL

The Green Trail is suitable for almost everyone and is relatively flat.

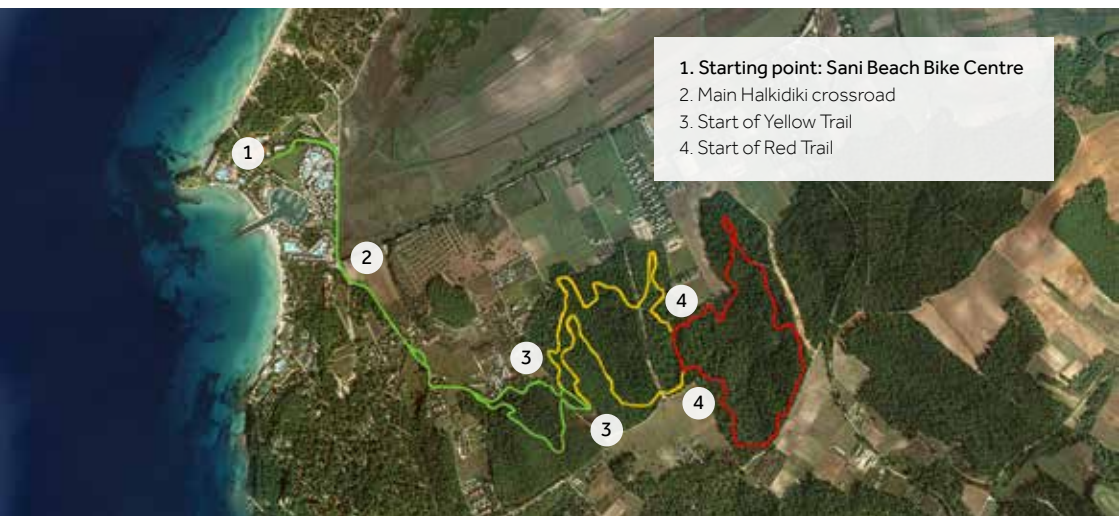

Suitable for: Bikers with a little experience

Skills needed: Basic biking skills

Trail and surface types: Relatively flat with some ascents and descents (5km)

Gradients and technical trail features: Climbs and descents are mostly small in size, while there are no challenging features

Suggested fitness level: A good standard of fitness is recommended

- 1. Starting point: Sani Beach Bike Centre
- 2. Main Halkidiki crossroad
- 3. Start of Yellow Trail
- 4. Start of Red Trail

CHOOSE YOUR ADVENTURE

YELLOW TRAIL

The Yellow Trail may encounter some tree roots underfoot, or short, steep slopes along the way, but nothing that a basic mountain bike can't handle.

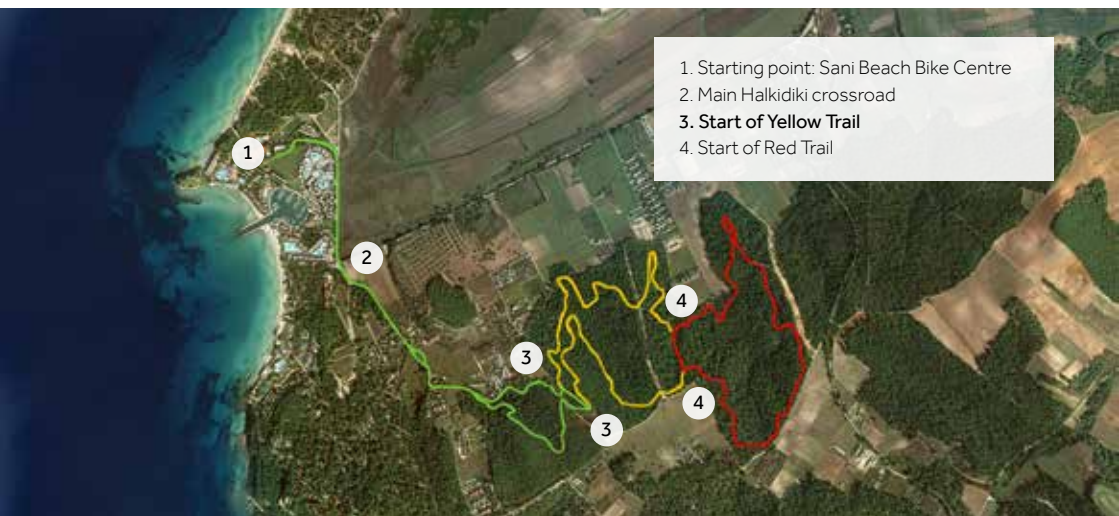

Suitable for: Bikers with some experience

Skills needed: Basic off-road riding skills

Trail and surface types: Uneven surfaces and small obstacles (5 km)

Gradients and technical trail features: Most gradients are moderate but might include short, steep sections

Suggested fitness level: A good standard of fitness is recommended

1. Starting point: Sani Beach Bike Centre
2. Main Halkidiki crossroad
3. Start of Yellow Trail
4. Start of Red Trail

CHOOSE YOUR ADVENTURE

RED TRAIL

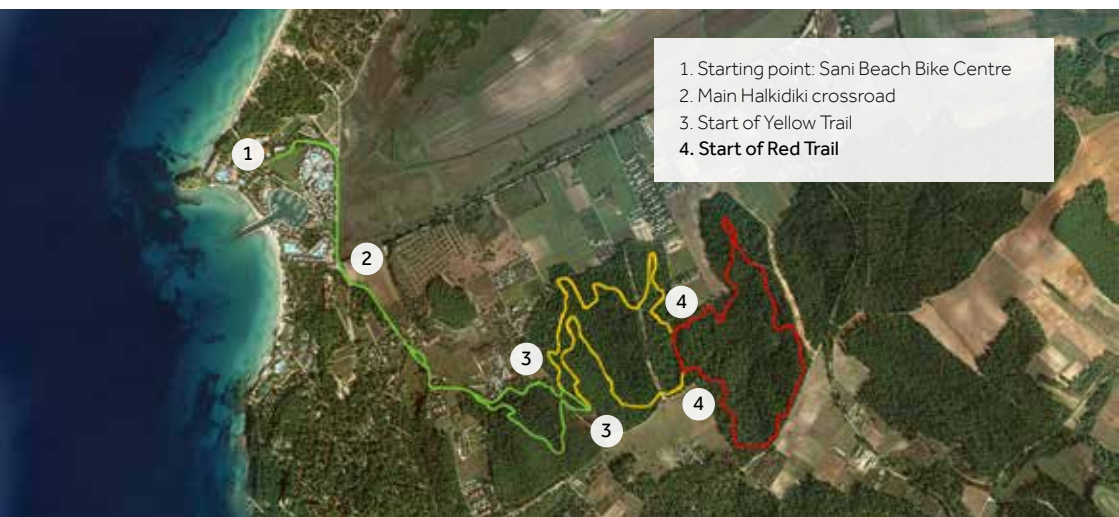

The Red Trail is for experienced mountain bikers, and feature a variety of climbs and descents.

Skills needed: Proficient mountain bikers

Trail and surface types: Steeper trails and tougher, with technical sections (5 km)

Gradients and technical trail features: A range of climbs and descents, Expect varying surface types

Suggested fitness level: A good standard of fitness is recommended

1. Starting point: Sani Beach Bike Centre
2. Main Halkidiki crossroad
3. Start of Yellow Trail
4. Start of Red Trail

WHAT YOU *WILL SEE*

The Sani Bike Tour welcomes you to some of the most beautiful biking trails in Halkidiki; and they're not to be missed! Our trails meander along cliff tops and paths with stunning views of Sani Forest and the sea.

- Rabbits, lizards, turtles and butterflies abound in these woods, depending on the season.
- The area is home to unique, natural treasures which can't be found anywhere else in Halkidiki.
- The valley offers a wide range of flora, including oak trees (which Kassandra was reportedly covered with before the time of the Persian occupation) and other plants rarely found in Halkidiki.

Please remember:

- For an easier, shorter journey you can choose to complete the **GREEN** Trail, instead of the longer and more challenging **YELLOW** and **RED** Trails
- Make sure to take lots of water with you
- Take care! Mountain biking is a potentially hazardous activity carrying a significant risk. Please consider your skills and abilities carefully before choosing a trail

Rules of the Trail:

- Ride only on open trails
- Be sure not to leave any litter!
- Control your bicycle
- Give way to pedestrians or other cyclists appropriately
- Never scare the wildlife you may encounter
- Cigarettes and smoking materials must be extinguished properly and never littered

BIKING *ACADEMY*

The Sani Biking academy offers tours, organised lessons and sessions with a collection of professional bikes by KTM and certified instructors for the whole family. A unique cycling experience with tour options and pump tracks, fun extras, like Go-Pro action cameras to take with you and photos taken of your experience. Sani is the perfect place to go cycling, our bikes can be used anywhere and by all ages.
