
LIZA KERMANIDOU x NESPRESSO

Green apple, lime & shiso tart

Lungo Finezzo

Mild with a gently sparkling acidity, a light roast of its Ethiopian and Latin American Arabicas keeps this refreshing long cup's floral notes in bloom.

Chocolate, pecan, caramel & miso bar

Freddo espresso / cappuccino Origin India

The woody notes and that noble punch of clove, nutmeg and pepper all reflect what grows between the coffee trees in southern India.

Hazelnut, banana & yuzu Paris Brest

Espresso Origin Guatemala

Both bold and smooth, this Guatemalan blend has a disarming strength in its elegant bitterness, classic dry, malty cereal note, and silky texture.

Matcha & strawberry roll

Espresso Peru Organic

Peru Organic is an organic coffee with distinct fruity notes. The coffee's fine acidity is beautifully balanced by its contrasting aromas of toasted sweet cereals.

Gianduja chocolate croissant roll

Freddo espresso / cappuccino Ristretto

This pure Arabica blend of Latin American coffees carries deep cocoa notes under its iconic rich crema. A subtle woody, roasted aroma lingers.
